

October 22nd marks the start of the "Just One Shirt" campaign - for **TWO WEEKS ONLY!** Go to [www.creomundi.com/community.php](http://www.creomundi.com/community.php) and have your Christmas lists ready!

We're calling this the "Just One Shirt" campaign because all it takes is *just one shirt* to make a difference in another persons life. Not only the person who receives one of our shirts from you, but the charity who will receive half the net proceeds from your order - whether that is a shirt, or one of Sharon Russell's incredible CDs that we will also be offering. As always, these are our patented BAMBOO shirts with over 200 positive words in 15 world languages printed front and back inside the shirts (some shirts are pictured inside-out).

On Trent Radio we talk about the campaign and the opportunity to give back to the community, which is a core value of our company. What is unique about this campaign is that people can choose from a list of charities/foundations/organizations, or add their own. It is like multiple fundraising at one time. So even if your favourite group is not on the list you can promote it to your friends and colleagues and ask them to add your groups name under "other". So we hope you have your Christmas lists ready - because for the first time you will have the option of a **long-sleeve version** of our beautiful Intentional BAMBOO shirts in **retro red, olive green, and black** in both scoop neck and crew neck. Some photos are below.

Here are some of the groups partnering with us in this fundraiser:

On the Creo Mundi Community page ([www.creomundi.com/community.php](http://www.creomundi.com/community.php)) you can find more information on these groups. Local orders only and those arranging to pick up their shirts, will be able to use the coupon code SHIPFREE (all caps, no spaces) and not be charged shipping on your order.

With much gratitude,  
Alison
